Magazine Legalize it!

Our member magazine is published every three months. We cover everything related to hemp in Switzerland: law, politics, culture, economy, technology and health. The 100th issue was published at the end of 2023.

Legal overview Shit happens

Here we present the legal situation of hemp in Switzerland and inform about the consequences if someone is caught with cannabis. Since 2023, the 15th edition is available.

Members meeting

Every one or two months we invite to the members meeting. Participation is possible in person on site or connected via video.

Support our work!

Association Legalize it!

About 500 supporters make our work possible. On hanflegal.ch/wiki/en/verein_li you can find our statutes and board members as well as the annual reports.

Become a member!

Private membership is available for 50 francs per year, corporate membership costs 200 francs per year. We look forward to your support: Your registration reaches us via join.hanflegal.ch.

Information THC and law

Hemp with 1% THC or more is still a prohibited narcotic. We help with legal questions (summons, interrogation, summary penalty order, driver's license). An introduction is available at: hanflegal.ch/en-introduction

Company list

We list our company members in the magazine, as well as under: hanflegal.ch/wiki/en/verein_li/firmenliste

No translation of print products

Unfortunately, our magazine and brochure are only available in German. The texts on our website, however, are all translated. We thank you for your understanding. Our resources are limited and the translation of the web content was only possible through a lot of free work and some donations!

Donations help a lot

You are welcome to round up your membership fee as well as pledge large donations (e.g. 200, 500 or 1'000 francs). Every contribution is welcome.
